THIRTY-SIXTH
ANNUAL REPORT
OF
THE BABIES HOSPITAL
OF THE
CITY OF NEW YORK

FOR THE YEAR ENDING DECEMBER 31, 1924

INCORPORATED 1887

HOSPITAL, LEXINGTON AVENUE AND 55TH STREET
SUMMER BRANCH, RUMSON, NEW JERSEY

NEW YORK

FORM OF BEQUEST
TO
The Babies Hospital
OF THE
CITY OF NEW YORK

(Incorporated Sept. 14th, 1887, under the laws of the State of New York)

I give and bequeath to THE BABIES
HOSPITAL of the CITY OF NEW YORK
the sum of..... Dollars,
to be applied to the uses and purposes of said
Institution.

THIRTY-SIXTH
ANNUAL REPORT
OF
THE BABIES HOSPITAL
OF THE
CITY OF NEW YORK

FOR THE YEAR ENDING DECEMBER 31, 1924

INCORPORATED 1887

HOSPITAL, LEXINGTON AVENUE AND 55TH STREET
SUMMER BRANCH, RUMSON, NEW JERSEY

NEW YORK

THE BABIES HOSPITAL

SEVEN FACTS OF INTEREST

THE BABIES' HOSPITAL for over thirty-six years has been getting results in making babies better, and is still the only Hospital of its kind in New York City.

THE BABIES' HOSPITAL has a Training School for Infants' Nurses, has graduated 981 pupils, and offers a six months' Post-Graduate course to Graduate Nurses. These nurses have helped the babies grow strong through careful feeding and the application of our doctrine of "Sunshine, Sleep and Soap."

THE BABIES' HOSPITAL offers facilities in its Out-Patient Department for the treatment of poor babies, and has contributed its very large share to better health and happiness. In 1924, it received 16,322 visits from babies.

THE BABIES' HOSPITAL operates a Summer Branch at Rumson, New Jersey, where much has been done for little children by fresh air, sunshine and kindness.

THE BABIES' HOSPITAL has for twenty-two years provided lectures to the Fourth year students of the College of Physicians and Surgeons. Young physicians are here given unusual opportunities for practical study of difficult and unusual cases of disease in young children at first hand.

THE BABIES' HOSPITAL has admitted 33,995 babies. It was a struggle for existence with most of them and skillful nursing has saved many.

THE BABIES' HOSPITAL employs Visiting Nurses to follow up hospital treatment after the baby has left the wards, and to keep the essential things before the mind of the mother.

THE BABIES HOSPITAL

REPORT TO DIRECTORS

To the Directors of The Babies' Hospital:

The past year's work in the Hospital, due to the unfailing coöperation of all who are connected therewith, both professionally and as volunteers, has shown the utmost of service possible, notwithstanding the handicap of lack of space necessary to accomplish the desired results.

We all realize this need of more room in many departments, especially in the operating room and Out-Patient Clinic. This not only handicaps the present work, but prevents future expansion.

We hope that in some way this defect can be overcome in the near future.

During the year we have received the following generous gifts to the permanent fund in legacies:

Estate of Elizabeth K. Upham	\$250.00
Estate of Ethel L. McLean, one-quarter of bequest,	2,500.00

We wish to thank the Summer Committee for their devotion to the work of our summer branch at Rumson, N. J., where the babies are so greatly benefited in their convalescence.

In compliance with orders from the New York Fire Department, we have made substantial additions in the Hospital along fire prevention lines, and have kept the building in the best possible condition of repair.

The Directors desire to record their appreciation of the coöperation and devoted service of all who are affiliated with the Hospital in its work, the service to babies.

CARLL TUCKER,
Secretary.

JOHN SHERMAN HOYT,
President.

THE BABIES HOSPITAL

MEDICAL REPORT

To the Directors and Board of Managers:

Early in the year the medical work of the Hospital and the Dispensary was apportioned to the Medical Staff in a way new to us. The Hospital, Dispensary, and entire medical staff was formed in two divisions. Each division is responsible for one half of the Hospital, and three days of the Dispensary work. The interchange of patients between Hospital and Dispensary is kept as much as possible within its own division.

Ward rounds are made much more consistently at the appointed hour. This has saved much time for the interne staff, and has encouraged ward rounds by a group rather than by individuals. This has meant more congenial and profitable work for the staff, and consequently better service for the patients. It has thrown open the wards to the Dispensary staff, brought the medical staff in closer touch with the Dispensary, and worked for the good of the Hospital as a whole.

The gift of the Mercury vapor quartz lamp by Mrs. Robert D. Sterling, has proved of very great benefit to children with various conditions. Chief among these are rickets; some forms of tuberculosis; malnutrition; and several forms of skin disease. The lamp is in almost constant use for ward, dispensary and private patients.

Through the generosity of Mrs. Oliver G. Jennings, the Hospital has benefited greatly this year because of a well-equipped and well-run chemical laboratory. Work is now being done as a matter of routine that was never possible before. It has been most profitable for the entire medical staff, and the patients.

THE BABIES HOSPITAL

We never cease to wonder at, and be thankful for, the great improvement in the condition of our patients as a result of the care given them at the Summer Branch.

The same fine spirit, for which there has been so much precedent, has prevailed throughout the Hospital, making the service pleasant and profitable.

NATHANIEL R. NORTON, M.D.

THE BABIES HOSPITAL

REPORT OF THE SOCIAL SERVICE AND VISITING NURSE COMMITTEE

Committee of 1924

MRS. DEXTER BLAGDEN, *Chairman*

MRS. ADEE BRADLEY

MRS. JOHN E. ROUSMANIERE

MRS. JOHN B. CORNELL

MRS. ERNEST G. STILLMAN

MRS. HENRY I. RIKER

MRS. EDWARD VAN INGEN

MRS. JERE R. WICKWIRE

The Out-Patient Department continues to carry on its useful work and the staff works untiringly in the face of many inconveniences due to lack of proper quarters.

Miss Wallin and Miss Donnelly still help in the Dispensary and visit the children in their homes to see that medical instruction is properly carried out.

Miss Sawyer is still in charge of the Social Service Department, and her work and that of the Dispensary has increased so rapidly that it has been found necessary to provide an extra clerk.

It is interesting to note the increase in the number of patients using the pay clinic started three years ago. Fees amounting to \$4,520.20 were received this year from the 496 patients using this department, which has grown from 438 visits in 1921 to 3,276 in 1924. At first these clinics were held once a week, but now it has been found necessary to hold them three times a week.

The Children's Charity, a sub-committee of the Cribside Committee, has contributed \$941 to the Social Service Department, to be used as an emergency fund, which has proved of the greatest value.

THE BABIES HOSPITAL

The Needlework Guild has also very generously sent one hundred garments for the use of the children in the Out-Patient Department.

The League of Catholic Women generously contributed 366 garments for older children, and 19 layettes containing 456 articles for some of the new-born babies.

Dr. and Mrs. Stafford McLean outfitted eight families for convalescent care at Otisville.

Dr. Martha Wollstein outfitted three families and one child for Seton Hospital.

The Mayor's Committee of Women supplied 150 families with milk, coal and ice, and gave 400 boat trips during the summer.

Through the Child Welfare Committee we secured pensions for 20 widows and for wives of four insane men and one prisoner. The Committee also gave 150 boat trips and 100 theatre tickets for the children.

The Free Shoe Fund contributed 100 pairs of shoes.

The Emergency Tuberculosis Relief Committee outfitted 40 families for Otisville, and provided 150 trips to Coney Island.

Barnum & Bailey gave our children 50 tickets for the circus.

Mr. Chamberlain of the Plaza Theatre, very kindly let us take 100 children for a Christmas matinee party.

Through Mr. Augustus F. Groll we received 100 sweaters, 100 hats, toys and Christmas stockings from the "Thursday Nighters" Club.

Christmas dinners were sent to 39 of the neediest families, \$181 was contributed by members of the Board of Managers for this purpose, of which Mrs. Valentine gave \$100.

Owing to the continued generosity of Mrs. Takamine and the Cribside Committee many of the undernourished babies have been able to receive a good grade of milk regularly which has doubtless proved an important factor in restoring them to health.

REPORT OF VISITING NURSES JANUARY 1, 1924 TO DECEMBER 31, 1924

MARY A. ROUSMANIERE,
Acting Chairman.

THE BABIES HOSPITAL

REPORT OF THE CRIBSIDE COMMITTEE

During the winter of 1924 the Cribside Committee held its regular meetings at the Hospital at eleven o'clock on the first Wednesday of every month.

The following officers and chairmen of committees served during 1924:

MISS HOWLAND.....	<i>Chairman</i>
MRS. K. O. CHISHOLM.....	<i>Vice Chairman</i>
MRS. GEORGE H. HOWARD.....	<i>Secretary</i>
MRS. ROBERT D. STERLING.....	<i>Treasurer</i>
MRS. K. O. CHISHOLM.....	<i>Chairman Cutting Committee</i>
MRS. JOSEPH RAMÉE.....	<i>Chairman Sewing Class</i>
MRS. JOHN B. MARSH.....	<i>Chairman Children's Charity</i>
MISS SCHOONMAKER.....	<i>Chairman Nominating Committee</i>

The membership at the end of 1924 was:

Active members.....	39
Associate members.....	28
Honorary members.....	1

The meetings of the Lenten Sewing Class were held at houses kindly offered to the Class. The efforts of the Chairman, Mrs. Ramée, brought a greatly increased membership. Receipts from the Class amounted to \$528.25. A greater number of garments were prepared by the Cutting Committee under Mrs. Chisholm, and resulted in an unusually successful class; 1,363 garments were given out to be returned finished for the use of the Hospital.

The Children's Charity under Mrs. Marsh, has completed a successful year and reports a balance on hand December 1st of \$1,192.40. Their work is that most practical one of providing medical care, food, and clothes for many unfortunate families reported by the Social Service Worker.

THE BABIES HOSPITAL

The Nearly New Shop at 913 Eighth Avenue, has returned a generous dividend of \$2,400 during the year. The Committee appeals to their friends to send in articles of any kind to make possible the continuing of these profits.

A section of the Needlework Guild has been formed with the object of increasing the number of garments given for the use of the Hospital; but this interest has been too lately started to permit of a report.

The Committee as usual paid \$250 toward the support of a bed for a year, and paid half the salary of a Social Service Worker, \$50 a month, and \$10 a month for milk for the Dispensary Babies.

At the December, 1924, meeting the following officers and chairmen were elected to serve during 1925:

MRS. HAROLD VAN TINE.....	<i>Chairman</i>
MRS. GEORGE ROBERTS.....	<i>Vice Chairman</i>
MISS SCHOONMAKER.....	<i>Secretary</i>
MRS. ROBERT D. STERLING.....	<i>Treasurer</i>
MISS MURRAY.....	<i>Chairman Cutting Committee</i>
MRS. JOSEPH RAMÉE.....	<i>Chairman Sewing Class</i>
MRS. JOHN B. MARSH.....	<i>Chairman Children's Charity</i>
MISS HOWLAND.....	<i>Chairman Nominating Committee</i>
MISS CLARKSON.....	<i>Chairman Clothing Committee</i>
MISS LOCKWOOD.....	<i>Chairman on Houses for Sewing Class</i>
MRS. HAROLD VAN TINE.....	<i>Chairman Needle Work Guild</i>
MRS. W. HENRY WILLIAMS.....	<i>Chairman Nearly New Shop Committee</i>

LESLIE J. SCHOONMAKER,
Secretary.

 value \$4,700, cost \$4,704.

RUTH L. STERLING,
Treasurer.

THE BABIES HOSPITAL

REPORT OF THE SUMMER COMMITTEE

It is with gratitude that we can give our report of the work of the Summer Branch of the Babies' Hospital for 1924 and thank the many friends who made possible our successful year. Our first good fortune was in having Miss Lily Smith in charge with her able assistant Miss McKiver. These officers were untiring in their efforts and no work was too hard and cheerfulness prevailed.

With such guiding spirits to direct the seventeen nursery maids, we were able from June 3rd to September 5th to care for 283 babies. This is the largest number ever admitted. There were numerous very sick cases. With but one exception all returned to the city hospital greatly improved if not fully restored to health. Dr. Voorhes, the resident physician, worked with our attentive consultant, Dr. Mersereau, to whom we shall never cease to offer our thanks. The friends as well as the generous Committee brought gifts of dolls, toys and kiddy cars to those able to enjoy such pleasures.

The buildings were in good order and a new bathroom was put into the Nurses' Home. In July the summer entertainment was presented: The Merry-makers' Frolics, under the direction of Lila A. Stewart. All people helped us! Success crowned our efforts and \$14,000.00 was placed in our Treasury. This with the subscriptions amounted to \$16,360.00.

This report cannot close without paying tribute to the memory of our beloved and eminent physician Dr. L. Emmett Holt. His loss is deeply mourned not only in the Babies' Hospital of the City of New York, where his skill, knowledge and devotion created such high standards, but in many parts of the world his name gave new courage, and among these is the little Hospital by the Shrewsbury. May his influence lead us forward to further knowledge and rest upon us as a blessing.

MARY OWEN BORDEN,
Summer Chairman.

Rumson, New Jersey.

THE BABIES HOSPITAL

GENERAL RULES

1. The beds of the Hospital are free to the needy poor. Others are charged according to their means.
2. Sick children under three years of age are admitted, excepting those suffering from contagious diseases.
3. Applications for admission should be made at the Hospital during the day, from 9 to 5, although emergency cases are received at any time.
4. The Out-Patient Department is open daily throughout the year, from 2 to 3 P. M., excepting on Sundays and holidays.
5. Visiting day, for friends of patients, is Wednesday, from 11 A. M. to 3 P. M.
6. Visitors to the Hospital are welcome any afternoon, between 3 and 5.

HOSPITAL CALENDAR

- ANNUAL BOARD AND CORPORATION MEETING, third Tuesday in January.
- REGULAR BOARD OF DIRECTORS' MEETINGS, third Tuesday in January, April and October.
- EXECUTIVE COMMITTEE, third Tuesday in November, December, February, March and May.
- ANNUAL MEETING OF THE BOARD OF MANAGERS, second Tuesday in December.
- BOARD OF MANAGERS, second Tuesday of every month, from October to May, both inclusive.
- BOARD OF MANAGERS—EXECUTIVE COMMITTEE, monthly, except during months of June, July, August and September.
- HOUSE COMMITTEE, monthly, from October to May, both inclusive.
- NURSES' COMMITTEE, monthly, from October to May, both inclusive.
- SUMMER COMMITTEE, monthly, during June, July, August and September.
- MEDICAL BOARD, first Monday in January.
- CRIBSIDE COMMITTEE, annual meeting in December.

THE BABIES HOSPITAL

REPORT OF THE POST-GRADUATE COURSE FOR REGISTERED NURSES

To the Directors and Board of Managers of The Babies Hospital:

The course given to graduate nurses for a six months' training in Pediatrics was continued in 1924, and we were fortunate in securing women of excellent training from recognized hospitals. These nurses are continuing in children's work, and this will be helpful to the public.

The following received diplomas:

ESTHER MANNING,

Graduate of St. Joseph's Hospital, Providence, Rhode Island.

ETHELWYN I. HALL,

Graduate of Memorial Hospital, Niagara Falls, New York.

AMY H. McKIVOR,

Graduate of Winnipeg General Hospital, Winnipeg, Manitoba.

MARY JANE HENDRY,

Graduate of Children's Memorial Hospital, Montreal, Canada.

MARY CURTIN,

Graduate of General Hospital, St. John's, Newfoundland.

MARY AGNES SMITH,

Superintendent.

THE BABIES HOSPITAL

REPORT OF AFFILIATION WITH TRAINING SCHOOLS IN NEW YORK STATE

To the Directors and Board of Managers of The Babies Hospital:

The Training Schools of the House of the Good Samaritan, Watertown, and The Faxon Hospital, Utica, discontinued their affiliation during the year, the former in September and the latter in December.

The Attending Physicians of the Babies Hospital have given lectures to four groups of pupils. We deeply appreciate their service and helpfulness.

The following completed three months' training in Pediatric nursing:

Cortland County Hospital

Cortland

WILMA B. BROOKS
FRANCES T. HEMMINGS
EUNICE E. HIGGINS
IRENE HORTON
ELSIE LE ROY

LEONA MATSON
LUCY A. MILLER

MARGARET LANMER	MARY WILSON

MARY AGNES SMITH, R.N.
Superintendent.

THE BABIES HOSPITAL

REPORT OF THE TRAINING SCHOOL FOR INFANTS' NURSES

To the Directors and Board of Managers of The Babies Hospital:

We continue to give nine months' training to infants' nurses, but our number has been lessened this year by having so many affiliated pupils from the Hospitals in New York State. This is the smallest class we have graduated for many years.

The generous gifts we received for our nurses from Mrs. Oliver G. Jennings, Miss Graves, Mrs. Warthen, and Mrs. Talmage at Christmas time were much appreciated.

Mrs. P. A. Valentine gave the Christmas Tree which was most enjoyable to our little patients and the children from the Out-Patient Department. Two hundred children were present and thoroughly enjoyed their gifts.

The following 17 pupils received diplomas during the year:

HELENE BEYER
KITTY BRODERICK
ANNA DUFFY
BRIDIE DUIGNAN
BERTHA ENSINGER
ELIZABETH FANNIN
CECILIA GILSHENAN
LOUISE KAY
MARY LEYDEN

KATHARINE LITTLE
HANNAH MORRIS
NORA MURPHY
MARY NOONAN
BRIDGET O'DONNELL
DELLA ROBB
ESTHER SIMPSON
AMY THORPE

MARY AGNES SMITH,
Superintendent.

THE BABIES HOSPITAL

CRIBS FURNISHED

Twenty-five dollars will furnish a crib for one year

Two furnished in perpetuity by gift in May, 1917, of \$1,000 under the Will of Mary Isabel Reese, widow of Brigadier-General Chauncy B. Reese, in memory of her only grandchildren, the little daughters of John and Sarah Brewerton Reese Jolly:

Sarah Brewerton Jolly, born Dec. 19, 1905; died Aug. 18, 1910.

Mary Courtenay Jolly, born Dec. 25, 1907; died March 25, 1914.

One by Mrs. Eben E. Olcott, the "Erskine Crib."

One by Mrs. William T. Schley.

One by Mrs. Arthur Lehman, in the name of "Frances Lehman."

Two the "Ethelwyn Fox Morrison Cribs."

One by Mrs. Edward A. Le Roy, the "Louisa Crib," in memory of her mother.

One—Anonymous.

Three by Mrs. Louis W. Dommerich.

One by Mrs. John B. Calvert, in the name of "Mary Dake Mairs."

One by Dudley D. Sicher, in the name of "William David Sicher."

One by Miss Mildred Sawyer, the "Eleanor Crib."

THE BABIES HOSPITAL

THE CHILDREN'S CHARITY

The Children's Charity is the children's share of the Social Service work of the Hospital.

It is hoped that each child who becomes a member and subscribes to the Children's Charity will feel that he is helping personally the little ones for whom the money is spent.

The subscription is One Dollar a year.

Sustaining Memberships, \$5 a year.

Life Memberships, \$20.

A membership card is sent each year when the dues are received, and every member's name is published in the Year Book of the Hospital.

Five Kinds of People who Join the Children's Charity

- I. Big boys and girls, who want to help the sick babies.
- II. Children who have come safely through an illness—to show their thankfulness.
- III. Brand new babies—to celebrate their arrival.
- IV. Grown-ups in the name of some child they love, or the child they once were themselves.
- V. In memory of children who have died—to do the good they were not spared to do.

Send your dues, with name and address to

MRS. JOHN B. MARSH,
863 Park Avenue,
New York City.

Make checks payable to THE BABIES' HOSPITAL.

THE BABIES HOSPITAL

SEVEN FACTS OF INTEREST

THE BABIES HOSPITAL for over thirty-seven years has been getting results in making babies better, and is still the only Hospital of its kind in New York City.

THE BABIES HOSPITAL has a Training School for Infants' Nurses, has graduated 1007 pupils, and offers a six months' Post-Graduate course to Graduate Nurses. These nurses have helped the babies grow strong through careful feeding and the application of our doctrine of "Sunshine, Sleep and Soap."

THE BABIES HOSPITAL offers facilities in its Out-Patient Department for the treatment of poor babies, and has contributed its very large share to better health and happiness.

THE BABIES HOSPITAL operates a Summer Branch at Rumson, New Jersey, where much has been done for little children by fresh air, sunshine and kindness.

THE BABIES HOSPITAL has for twenty-three years provided lectures to the Fourth year students of the College of Physicians and Surgeons. Young physicians are here given unusual opportunities for practical study of difficult and unusual cases of disease in young children at first hand.

THE BABIES HOSPITAL has admitted 35,608 babies. It was a struggle for existence with most of them and skillful nursing has saved many.

THE BABIES HOSPITAL employs Visiting Nurses to follow up hospital treatment after the baby has left the wards, and to keep the essential things before the mind of the mother.

THE BABIES HOSPITAL

IN MEMORY OF

Mrs. Lorenzo Daniels

WHO DIED DECEMBER 17, 1925

The Board of Directors of The Babies Hospital at their Annual Meeting held January 19, 1926, passed the following Resolution:

Mrs. Ellen Adee Daniels, by her thirty-one years of devoted service to The Babies Hospital, gave such splendid leadership and set such a standard of loyalty, that those closest to her in the work received an inspiration never to be forgotten. It was a pleasure and an honor to work with her for we were sure that her guiding power was always constructive and for the welfare of the babies entrusted to us.

Now that God in His infinite wisdom has seen fit to take her to Himself, the Directors desire to convey to Mr. Lorenzo Daniels, and his family, their deepest sympathy in her passing, and their appreciation of her service.

JOHN SHERMAN HOYT, *President.*

CARLL TUCKER, *Secretary.*

THE BABIES HOSPITAL

REPORT TO DIRECTORS

To the Directors of The Babies Hospital:

The outstanding fact in 1925 has been the determination of the Hospital to affiliate as the Pediatric Department in the Columbia-Presbyterian Medical Center, provided details can be worked out and the necessary money secured for the new building.

While this has seemed like a large undertaking and a great addition to the work, and in consequence has not been determined without mature deliberation, yet, as the Hospital has always stood for the best in service to those in need, it is the wisest and right step to take.

In 1926 we hope to see the plans completed and the new hospital under construction.

This decision could never have been reached except for the coöperation of all those responsible for the Hospital, and this has always been given and given freely.

This year Dr. Herbert B. Wilcox was appointed Physician in Chief to fill the vacancy caused by Dr. Holt's death.

Owing to the widening of Lexington Avenue, we have had to make many changes in our basement and have done away with our boiler plant, taking steam from the Steam Co.

The following legacies have been received for the Permanent Fund during the year:

Estate of L. Emmett Holt, on account of legacy	\$21,329.38
Estate of Ethel L. McLean, balance of legacy	7,940.00
Estate of Vahdah Anna McCullough, on account of legacies	21,000.00
Estate of Emily A. Watson, on account of legacy	24,611.36
Interest on Emily A. Watson bequest	386.84

THE BABIES HOSPITAL

The Directors have to depend on many, both volunteer and professional, for the success of the work, and what has been done well this year was due to their faithfulness and coöperation.

We therefore start the new year confident in the teamwork of all.

JOHN SHERMAN HOYT,

President.

CARLL TUCKER,

Secretary.

THE BABIES HOSPITAL

ANNUAL REPORT OF THE MEDICAL DIRECTOR

To the Directors and Board of Managers:

The medical report for 1925-1926 is that of the first year of the affiliation between the Babies Hospital and the Presbyterian Columbia Medical Center.

The association has been so far purely academic, and must remain so until the completion of our new hospital places us in intimate physical contact with the other branches of medicine to be represented there.

Naturally the ward service has been the first to feel the influence of these new conditions. This comes about primarily through increased teaching responsibilities and closer contact with the other institutions carrying on the same work in the Department of Diseases of Children.

Such contacts must ultimately result in definite stimulus to every branch of the Hospital organization and equally to the members of attending, interne, and nursing staffs.

The acquisition of a source of instruction, such as the Babies Hospital offers, has greatly increased the efficiency of the departmental teaching. This is particularly true because of the work that is now going on so satisfactorily in our Pathological and Chemical laboratories.

The responsibility of the staff in such an institution as ours is not exclusively intramural. Proper care of our sick and training of our medical and nursing staffs are obviously the Hospital's first responsibility.

Of almost equal importance, however, is the dissemination of information obtained in the Hospital work and the making of it available to that large group of physicians who have not this peculiar opportunity.

The departmental staff conferences, held jointly with the Children's Medical and Surgical Divisions at Bellevue Hospital, are providing a valuable opportunity for interchange of ideas and comparison of medical

THE BABIES HOSPITAL

experience. These weekly meetings are regularly attended by a considerable number of the profession of the city and suburbs.

The Pathological Laboratory has increased its force by two full-time technicians, one of whom is working on special tissue examinations under Dr. Wollstein.

An additional technician has been provided for the Chemical Laboratory. The activity of these laboratories is making more comprehensive both the investigation of the cases of our wards and the use of this material in instruction.

A professional photographer is now on duty in the Hospital each morning. Complete photographic records of interesting cases, pathological specimens and microscopic preparations will add greatly to the value of our case histories and teaching material.

Research, both clinical and experimental, is being carried on by staff members. A special fund is available for unusual expenses which sometimes arise in connection with this work. This has been provided by friends of the Hospital interested in research.

Subjects now under investigation are: Abnormalities of the Kidneys; The Lymphatic System; the Chemistry of the Cerebro-Spinal Fluid; Results of Operations for the Removal of the Spleen; Causes and Significance of Congenital Deformities; Poisoning by Lead and Phosphorous; The End Results of Infections of the Meninges; Sporadic Meningococcus Meningitis in Infancy and Early Childhood: A Study of End Results Following Specific Serum Therapy for a Ten-Year Period; Further Studies of Blood Platelet Counts in Infancy and Early Childhood; The Rate of Healing of the Bone Lesions in Scurvy; A Case of Thrombocytopenic Purpura with Splenectomy; The Treatment of Angiomata in Infancy and Early Childhood; Hodgkins Disease in Infancy.

The sequence of duty by the interne staff has been rearranged in an attempt to bring the more responsible positions into the latter months of service.

THE BABIES HOSPITAL

A professional anesthetist is now supervising anesthetics and giving instruction to the interne staff.

Dr. Bolling's appointment as a full attending surgeon gives him the rank that his service has deserved.

Tonsil and adenoid operations are being restricted to such as become necessary in children under treatment for other medical or surgical conditions in the Hospital or Dispensary.

The new and original methods being developed by Dr. Vaughan for the correction of harelip and cleft palate are giving results hitherto not obtained in the treatment of these deformities.

Dr. John Kernan has rendered most valuable service to the patients and staff through his special work in direct examination of the larynx, trachea and esophagus. This procedure, difficult in technique as it is, has proved of great value both in diagnosis and treatment of obstructions and affections of the upper-respiratory tract. Dr. Kernan's work has been in some instances highly spectacular and always of the greatest assistance to the staff.

The Hospital has suffered the loss of a genial friend and very able consultant in the death of Dr. Fordyce.

Reorganization of the Out-Patient Department is under way with a special object of improving the function of the admission service, the Medical, Nursing, and Social Service Departments.

Throughout the Hospital, the solicitous medical and nursing care of our patients and the exhaustive study of the diseases from which they suffer, are making for a very satisfactory standard of efficiency.

It is hoped that in the coming season we may make use of the country branch at Rumson for the treatment of the actually sick child as well as for his convalescent care. There is a group of chronically ill children who should respond to the combination of country environment and good medical care available at Rumson in a way that cannot be expected of them so long as they are confined to our city wards. With this there is bound to

THE BABIES HOSPITAL

come about a more direct contact between the city and country service and staff.

The medical staff is keenly appreciative of the constant helpful coöperation of the administrative and nursing heads.

HERBERT B. WILCOX, M.D.

THE BABIES HOSPITAL

REPORT OF THE SOCIAL SERVICE AND VISITING NURSE COMMITTEE

Committee of 1925

MRS. DEXTER BLAGDEN, *Chairman*

MRS. ADEE BRADLEY

MRS. HENRY I. RIKER

MRS. JOHN B. CORNELL

MRS. EDWARD VAN INGEN

MRS. JERE R. WICKWIRE

The Out-Patient Department continues to carry on its useful service, and the staff works untiringly in the face of many inconveniences due to lack of space.

Miss Wallin and Miss Donnelly visited daily the children in their homes to see that medical instruction was properly carried out.

The work of the Social Service Department, under Miss Sawyer, has been going on in the most efficient way.

The pay clinic has grown materially. From one morning a week, with one physician in charge, it is now held Tuesday, Thursday and Saturday mornings, with four physicians in attendance. This clinic reported 668 new patients and 4,370 visits in 1925.

The Children's Charity, under the Cribside Committee, has contributed \$619.53 to the Social Service Department, to be used as an emergency fund. This department has a membership, through the Cribside Committee, in the Speedwell Society, and this, combined with our Summer Hospital at Rumson, gives convalescent care to those children most in need of it.

Several members of the Social Service Committee have contributed clothing for our children.

The work of the volunteers in this department was much appreciated.

THE BABIES HOSPITAL

We make grateful acknowledgment of the following:

Barnum & Bailey, 50 tickets to our children for the circus.

Mr. Chamberlain, of the Plaza Theatre, 125 tickets for a Christmas matinée party for our children.

Child Welfare Committee, 15 pensions for widows, 3 pensions for wives of prisoners; 100 tickets for a "movie."

Miss Edith Dodge, suit of clothing, gloves, stockings, baby's shirts.

The Emergency Tuberculosis Relief Committee outfitted 20 families for Otisville.

Evening World Fund, coal for 20 families.

Free Shoe Fund, shoes for 50 children through the coöperation of school nurses.

Mrs. Ann Goerick, 3 compensation cases helped.

Mrs. M. Guiry, clothing for adults, sweaters, hats, shoes, rug.

Dr. and Mrs. Stafford McLean outfitted 6 families where the parents had been in the Hospital during the summer of 1925.

Mrs. Stafford McLean, clothing, hats, shoes and sweaters.

Mayor's Committee of Women, milk and ice for 200 families; 300 boat trips during the summer.

Mrs. Henry I. Riker, 2 baby carriages.

Thursday Nighters, Inc., through Mr. Augustus F. Groll, Secretary, sweaters, stockings, gloves toys, dolls and candy for Christmas.

Dr. Martha Wollstein outfitted 3 families and 2 children for Sea View Hospital.

Christmas dinners were sent to 41 of our neediest families at a cost of \$187.35. Contributions were received from

Babies Hospital Committee	\$73.00
Visiting Nurse Committee	40.00
The Children's Charity	25.00
Mrs. Douglas C. Despard	10.00
Balance from Babies Hospital Fund	39.35
	<hr/>
	\$187.35

Through the generous gifts of Mrs. Takamine and the Cribside Committee, many undernourished babies have been able to receive milk regularly, which has doubtless proved an important factor in restoring them to health.

THE BABIES HOSPITAL

REPORT OF THE CRIBSIDE COMMITTEE

The following officers and chairmen of committees served during 1925:

MRS. HAROLD VAN TINE.....	<i>Chairman</i>
MRS. GEORGE ROBERTS.....	<i>Vice-Chairman</i>
MRS. ROBERT D. STERLING.....	<i>Treasurer</i>
MISS SCHOONMAKER.....	<i>Secretary</i>
MISS MURRAY.....	<i>Cutting Committee</i>
MRS. JOSEPH R. RAMÉE.....	<i>Sewing Class</i>
MRS. JOHN B. MARSH.....	<i>Children's Charity</i>
MISS HOWLAND.....	<i>Nominating Committee</i>
MISS CLARKSON.....	<i>Clothing Committee</i>
MISS LOCKWOOD.....	<i>Houses for Sewing Class</i>
MRS. HAROLD VAN TINE.....	<i>Needlework Guild</i>
MRS. W. HENRY WILLIAMS.....	<i>Nearly-New Shop</i>

The membership at the end of 1925 was:

Active members.....	36
Associate members.....	28
Honorary member.....	1

The Children's Charity, under the direction of Mrs. Marsh, had a balance on hand January 1st of \$1,146.97. They have assisted many worthy cases reported by the Social Service Workers. Their work has been much helped by a gift of \$100 in payment of a membership in the Speedwell Association. This membership makes it possible for the Committee to place sick children in an excellent home for their convalescence—the Cribside Committee paying the cost of their board.

The Lenten Sewing Class met at houses kindly offered for the Thursday morning meetings during Lent. The receipts amounted to \$561.43, and 836 garments were cut and sewed under the direction of Mrs. Ramée and Miss Murray.

THE BABIES HOSPITAL

The Nearly-New Shop at 913 Eighth Avenue has sent a dividend of \$2,500 as the Committee's share of the profits from sales of rummage.

Mrs. Van Tine received donations of garments and money to forward to the Needlework Guild Headquarters; a proportion of these articles is returned for the Hospital use.

The Committee, as usual, paid \$250 towards the support of a bed for a year, and paid \$600—half the salary of a Social Service worker—and also \$120 for milk for the Dispensary babies.

At the December, 1925, meeting the following officers and chairmen were elected to serve during 1926:

MRS. KENNETH O. CHISHOLM	<i>Chairman</i>
MISS LOCKWOOD	<i>Vice-Chairman</i>
MRS. ROBERT D. STERLING	<i>Treasurer</i>
MISS SCHOONMAKER	<i>Secretary</i>
MRS. EDWARD HINMAN, JR.	<i>Cutting Committee</i>
MRS. JOSEPH R. RAMÉE	<i>Sewing Class</i>
MRS. FREDERICK K. BARBOUR	<i>Children's Charity</i>
MRS. C. O. M. SPRAGUE	<i>Nominating Committee</i>
MISS CLARKSON	<i>Clothing Committee</i>
MISS LOCKWOOD	<i>Houses for Sewing Class</i>
MRS. HAROLD VAN TINE	<i>Needlework Guild</i>
MRS. W. HENRY WILLIAMS	<i>Nearly-New Shop</i>

LESLIE J. SCHOONMAKER,
Secretary.

RUTH L. STERLING, *Treasurer.*

THE BABIES HOSPITAL

REPORT OF THE SUMMER COMMITTEE

It is interesting to open this report of the work of the Summer Committee with the statement that three hundred and one cases were cared for—more than in any other year. This signifies three months of active work, from June 3rd to September 9th. Miss Lily Smith was in charge with two excellent assistants, Miss McCarthy and the resident physician, Dr. Ross.

In the height of the summer, “measles” interrupted the admissions for almost three weeks. After this we had no further delays in receiving the cases from the city hospital. There were many very sick babies who happily so improved that they returned to the city able to battle for their existence, but with one exception, a little Italian boy, who in his short life will be remembered by his patience and gentle ways.

We were delighted to receive a visit from Dr. Wilcox, who made some valuable suggestions and gave us much encouragement. We hope we may receive a visit from him each year.

The Summer Committee suffered the loss of two of its loyal members—Mrs. Herbert L. Terrell, associated with the Summer Branch for many years and her interest and generosity will always be remembered, and Mrs. Howard Boulton, who did so much to further the interests of the Hospital.

Attention had to be given to the buildings in the spring—painting, carpentry, screening, new shades, and blue stone to save the driveway, also purchases of clothing and bedding supplies and ten baby carriages! This all takes money.

The generous supporters of the Hospital never failed, and the July entertainment brought in over \$6,000. This amount, with donations, subscriptions and interest amounted to \$9,000. The Babies Summer Hospital has true friends, and to these, to the staff and all connected with the Summer Branch, we desire to express our gratitude.

MARY OWEN BORDEN,
Summer Chairman.

GENERAL RULES

- 1.—The beds of the Hospital are free to the needy poor. Others are charged according to their means.
- 2.—Sick children under three years of age are admitted, excepting those suffering from contagious diseases.
- 3.—Applications for admission should be made at the Hospital during the day, from 9 to 5, although emergency cases are received at any time.
- 4.—The Out-Patient Department is open daily throughout the year, from 2 to 3 P. M., excepting on Sundays and holidays.
- 5.—Visiting day, for friends of patients, is Wednesday from 2 to 4 P. M.
- 6.—Visitors to the Hospital are welcome any afternoon, between 3 and 5.

HOSPITAL CALENDAR

ANNUAL BOARD AND CORPORATION MEETING, third Tuesday in January.
REGULAR BOARD OF DIRECTORS' MEETINGS, third Tuesday in January,
April and October.

EXECUTIVE COMMITTEE, third Tuesday in November, December, February,
March and May.

ANNUAL MEETING OF THE BOARD OF MANAGERS, second Tuesday in December.

BOARD OF MANAGERS, second Tuesday of every month, from October to May, both inclusive.

BOARD OF MANAGERS—EXECUTIVE COMMITTEE, monthly, except during months of June, July, August and September.

HOUSE COMMITTEE, monthly, from October to May, both inclusive.

NURSES' COMMITTEE, monthly, from October to May, both inclusive.

SUMMER COMMITTEE, monthly, during June, July, August and September.

MEDICAL BOARD, first Monday in January.

CRIBSIDE COMMITTEE, annual meeting in December.

THE BABIES HOSPITAL

REPORT OF THE POST-GRADUATE COURSE FOR REGISTERED NURSES

To the Directors and Board of Managers of The Babies Hospital:

The following graduate nurses, who entered the Post-Graduate Course of six months in 1924, completed their training in 1925, and received diplomas:

OLIVE E. WEST,

Graduate of King's College Hospital, The Queen's Hospital, London,
England.

JESSIE ETHEL DEAN,

Graduate of King's College Hospital, The Queen's Hospital, London,
England.

MURIEL PAYNE,

Graduate of Royal Victoria Hospital, Montreal, Canada.

ELIZABETH ORR REARDON,

Graduate of Columbia Hospital of Richland County, Columbia, South
Carolina.

MARY AGNES SMITH,

Superintendent.

THE BABIES HOSPITAL

REPORT OF AFFILIATION WITH TRAINING SCHOOLS IN NEW YORK STATE

To the Directors and Managers of The Babies Hospital:

The only change during the year was ending the affiliation with the A. Barton Hepburn Hospital Training School. We found it was more satisfactory to have a smaller number of pupils, and thus were able to give better training in our Dispensary and Diet Kitchen.

We wish to thank the attending physicians for the lectures given these nurses, four courses being given during the year.

The following completed three months' training in Pediatric nursing:

Cortland County Hospital, Cortland, N. Y.

FLORENCE ADAMS	ANN B. O'BRIEN
EASTER L. BOUTON	MILDRED F. RANDALL
DORIS GRIFFETH	LEONA REAGAN
EMELINE KINNEY	CECILIA RITER
GRACE KINNEY	HILDA SEELEY
LOUISE M. NYE	ELLEN A. WATERS
AGNES O'BRIEN	GERTRUDE A. WHITEHOUSE

A. Barton Hepburn Hospital, Ogdensburg, N. Y.

MARION BREEN	MARION HOCKNELL
GERTRUDE DOYLE	MARGARET LYNCH
MABEL DRAKE	DOROTHY MCINNIS
WILLA EGAN	MARGARET SULLIVAN
FRANCES GIRRIOR	VIOLA WAGNER
KATHLEEN HIGGINS	MILDRED WILSON

THE BABIES HOSPITAL

REPORT OF THE TRAINING SCHOOL FOR INFANTS' NURSES

To the Directors and Board of Managers of the Babies Hospital:

The number of pupils in our Training School for Infants' Nurses is larger this year than in the two previous years, and we were fortunate in securing young women who have been keenly interested in their work. All pupils who completed their training in 1925 have been given positions in private families.

Since the organization of the Training School in 1889, 1,007 pupils have been graduated.

The following 26 pupils received diplomas:

MAE BERTEAU
SOPHIE BRAUSCH
MARY CASEY
GRACE CONDON
HELEN FLYNN
MARIE FRANK
HELEN GORDON
ELSIE GREULICK
CATHERINE HARGES
RUBY HASTIE
MARGARET HICKEY
EDITH JACOBSON
MARTHA JOHNSON

OLGA LARSON
MARY MCGOVERN
CHRISTINE MACLEOD
MARY MOFFATT
LILLIAN MONTRESOR
LORETTA MORAN
ROSE NERSISIAN

name of "Mary Dake Mairs."

One by Miss Mildred Sawyer, the
"Eleanor Crib."

THE BABIES HOSPITAL

THE CHILDREN'S CHARITY

The Children's Charity is made up of those children who are interested in the work of the Hospital, and want to help it along.

\$646. acknowledged in the list of contributions, the result of the work this year, was given by the members whose names appear on the following pages.

The subscription is One Dollar a year.

Sustaining Memberships, \$5.

Life Memberships, \$20.

A Membership card is sent each year when the dues are received, and every member's name is published in the Year Book of the Hospital.

Five Kinds of People who Join the Children's Charity

- I. Big boys and girls, who want to help the sick babies.
- II. Children who have come safely through an illness—to show their thankfulness.
- III. Brand new babies—to celebrate their arrival.
- IV. Grown-ups in the name of some child they love, or the child they once were themselves.
- V. In memory of children who have died—to do the good they were not spared to do.

Send your dues, with name and address, to

MRS. FREDERICK K. BARBOUR,
830 Park Avenue,
New York City.

Make checks payable to THE BABIES HOSPITAL.

SUMMER BRANCH, RUMSON, NEW JERSEY

NEW YORK

THE BABIES HOSPITAL

SEVEN FACTS OF INTEREST

THE BABIES HOSPITAL for over thirty-eight years has been getting results in making babies better, and is still the only Hospital of its kind in New York City.

THE BABIES HOSPITAL has a Training School for Infants' Nurses, has graduated 1043 pupils, and offers a six months' Post-Graduate course to Graduate Nurses. These nurses have helped the babies grow strong through careful feeding and the application of our doctrine of "Sunshine, Sleep and Soap."

THE BABIES HOSPITAL offers facilities in its Out-Patient Department for the treatment of poor babies, and has contributed its very large share to better health and happiness.

THE BABIES HOSPITAL operates a Summer Branch at Rumson, New Jersey, where much has been done for little children by fresh air, sunshine and kindness.

THE BABIES HOSPITAL has for twenty-four years provided lectures to the Fourth year students of the College of Physicians and Surgeons. Young physicians are here given unusual opportunities for practical study of difficult and unusual cases of disease in young children at first hand.

THE BABIES HOSPITAL has admitted 37,233 babies. It was a struggle for existence with most of them and skillful nursing has saved many.

THE BABIES HOSPITAL employs Visiting Nurses to follow up hospital treatment after the baby has left the wards, and to keep the essential things before the mind of the mother.

THE BABIES HOSPITAL

THE THIRTY-EIGHTH ANNUAL REPORT OF THE DIRECTORS OF THE BABIES HOSPITAL

Due to the fine coöperation of all departments the work of the Hospital has been significant.

Notwithstanding that more children were admitted than in 1925, a larger percentage of cures were made with a shorter average of days per patient.

The Dispensary treated about the same number as last year with the handicap of overcrowding that cannot be remedied in the present quarters.

The Directors desire to record their appreciation of the work of the Board of Women Managers for the splendid showing made by their entertainment, as well as for their devoted work throughout the year, both as a Board and by the special Committees.

The Summer Branch furnishes an example for efficient management of a department of the Hospital that is vital for the complete recovery of the children during the hot summer months and the thanks of the Directors go to the ladies who have worked so loyally for this cause.

During the year the following gifts to the endowment fund have been made:

Legacy from Annie M. C. Arrowsmith, in memory of Emma D.	
Cummins	\$5,000.00
Estate of Vahdah Anna McCullough	30,000.00
Final payment from Estate of Vahdah Anna McCullough in June.....	13,160.88

It is hoped that, before the summer has come, the funds necessary for the new hospital building at the Medical Centre, will be in hand and the work begun so that the move can be made in the spring of 1928.

JOHN SHERMAN HOYT,
President.

CARLL TUCKER,
Secretary.

THE BABIES HOSPITAL

IN MEMORIAM

Dr. Walter B. James

DIED APRIL 6, 1927

In our contact with people it is a privilege to meet occasionally one who stands out as a leader of men and in this Dr. James was a conspicuous example.

The Babies Hospital was fortunate in having him as a Director since 1906, and for over twenty years we have been helped by his wise advice.

During this period the Hospital has grown to be the leading Institution in its special field, due largely to his counsel and advice, and we therefore are aware of all that we and the children of New York have lost in his passing.

The Babies Hospital of the City of New York, overcome by a sense of public and personal loss in the death of

DR. WALTER B. JAMES

Resolves that this Minute be spread on its records and that a copy of it be sent to the family.

(Extract from Minutes of the Meeting of the Directors of the Babies Hospital held April 19, 1927.)

THE BABIES HOSPITAL

MEDICAL REPORT FOR 1926

The past year has witnessed a completion of some of the many plans for the improvement in the medical service. These changes have all been aimed at the betterment of the educational opportunities offered at the Hospital to both attending and interne staff. The ultimate object is, of course, better diagnosis and therefore more efficient treatment of the children on our wards—better use of the material on the wards and in the Out-Patient Department for the purposes of teaching and of contribution to medical information.

Last year a half time photographer only partly covered this important part of the Hospital records. This year a photographic room has been constructed on a portion of the roof and a full time technician installed to great advantage as to the completeness of the records.

It is the experience of most institutions that a properly organized follow up clinic is necessary if full profit is to be obtained from the cases treated. This has been apparent to the Medical Board and now Drs. Bolling, McIntosh, Donovan, Solley, and Loth, with some clerical assistance, have organized a rapidly growing follow up clinic which is producing satisfactory results both to the patient and the physician. This continued contact is as necessary for one as for the other, if convalescence is to be adequately supervised and end results accurately appreciated.

The Medical Board has long felt the need of a special organization for the management of congenital disease both on the wards and in the Out-Patient Department. This condition necessitates treatment of both parent and child and requires special equipment and special facility on the part of the physician. The necessary period of treatment is long and the effort wasted unless carried through to completion. Such a clinic is now organized and being run under the direction of Dr. John P. Caffey in conjunction with Dr. Wollstein.

THE BABIES HOSPITAL

One of the most troublesome problems has been that of meeting the requirements of that group of patients who are desirous of something more than a routine ward care for their child, but who are unable to meet the expense of a private room. The general ward service is always adequate, but the infrequency of visiting days is often a source of dissatisfaction. To meet this requirement Ward D has been partitioned off and equipped to furnish semi-private care where the parents may see as much of their child as they wish and where more intensive treatment may be carried out if required. In this ward are placed also certain of the sicker children in order that they may benefit by the semi-isolation. The so-called semi-private patient has heretofore been nothing more than a ward case to whom the right of frequent visitation has been sold. The present arrangement offers privacy and a little more comfort to the patient and should prove a financial asset to the Hospital.

A definite hindrance has been removed in the termination of our arrangement with the State for the training of affiliated nurses. This arrangement did not always give us the type of nurse required; their instruction was a severe load on the medical staff and the frequent changes were always confusing. Our own head nurses, chosen because of their interest in children and suitability for this work, have given us better care for the patients and training for the infants' nurses.

The Social Service Department, recently reorganized as an independent unit, is functioning with greater efficiency and closer coöperation with the wards and Out-Patient Department. The importance of this department cannot be over-estimated. Through its educational effort medical advice is made more efficient and benefit of treatment more permanent. It contributes largely to the patient's appreciation of the help he has received and frequently brings to light important information which does not always appear on the medical history.

Three new members have joined the attending staff. Dr. Allen O. Whipple, professor of surgery in the College of Physicians and Surgeons and

THE BABIES HOSPITAL

surgical director of Presbyterian Hospital has been appointed consulting surgeon. Dr. Howard R. Craig has been appointed assistant attending physician and Dr. Fred W. Solley assistant attending surgeon.

In the department of pathology and bacteriology investigations are under way concerning the activity of the thymus gland; the influence on the blood of the removal of the spleen; changes in the blood which occur in diseases of the kidney; the nature of tumors of kidney in the young.

In the department of chemistry studies are being carried out on the composition of the spinal fluid; on the action of blood sugar in disease; on the chemical changes occurring in the blood after transfusion.

Clinical studies on the wards include a continuation of the exhaustive investigation of inflammations of the brain and meninges; chronic disease of the lungs; congenital disease of the kidney; nutritional diseases, such as scurvy; developmental defects such as the persistence of the thymus gland; importance of changes in the blood in diagnosis; infections occurring in the new born; unusual findings in diphtheria; abscess of the lung; chronic joint infections; and the physics and physiology of light therapy.

Opportunity has been made this year for those members of the staff wishing to do so, to take a short service at Sloane where experience may be gained in treatment of the new born.

The service on the wards during the year has been rather lighter than usual, but the character of the work has maintained a high standard.

HERBERT B. WILCOX, M.D.

REPORT OF THE FOLLOW-UP CLINIC

A Follow-up Clinic was instituted during 1926 for the purpose, first of insuring that patients continue under medical supervision after discharge from the Hospital, and second, of keeping in touch with cases of unusual interest or obscurity. Nearly every patient who leaves the Hospital is called to the Follow-up Clinic by letter at some time after discharge, and the opportunity is thus obtained to note progress, to evaluate the results of treatment, and to encourage periodic medical observation during health as well as sickness. No attempt has been made to provide treatment of any kind in this clinic, but usually the patient is returned to his private physician, or to our own Dispensary, and on occasions specific forms of therapy are advised. Every effort is made to avoid interference with treatment by private physicians, and to encourage coöperation with them—that is, to give them the benefit of our own observations, as well as to receive theirs.

Not only does the clinic afford an avenue of approach for Social Service work, but it also leans heavily on this department for assistance in locating patients, and in making observations and reports in cases where the patient is unable to attend the clinic in person. A considerable proportion of the work of the clinic is carried on by correspondence alone, when the patient lives at a distance.

This splendid baby is Mary Holder, one of our Dispensary feeding patients. The baby was brought to our Hospital in October, 1926, when $4\frac{1}{2}$ months old, and weighed 9 pounds and 10 ounces, a very good example of the "before" type of picture. After six months' care, the baby, now 11 months old, weighs 23 pounds and 8 ounces.

Our Dispensary is very proud of Mary

THE BABIES HOSPITAL

Beginning in June, clinics have been held on the average of every two weeks. The figures of attendance are tabulated below. The idea of a Follow-up Clinic is new to most mothers—even to many physicians—and it will undoubtedly require some years of education to achieve anything approaching one hundred per cent attendance. Nevertheless, it is encouraging to note that those who attend appear to appreciate the Hospital's interest in their welfare; and as a rule the coöperation of outside physicians has been readily granted. With the increase in attendance that may be anticipated from the experience of the first six months, the value to the Hospital records of observations made in this clinic may be expected to accumulate.

THE BABIES HOSPITAL

REPORT OF THE SOCIAL SERVICE AND VISITING NURSE COMMITTEE

MRS. DEXTER BLAGDEN, *Chairman*

MRS. ADEE BRADLEY

MRS. BENJAMIN BREWSTER JENNINGS

MRS. THATCHER M. BROWN

MRS. ROGER TUCKERMAN

MRS. JOHN B. CORNELL

MRS. EDWARD VAN INGEN

MRS. JERE R. WICKWIRE

During the past year the Social Service and Visiting Nurse Department has been undergoing a very general reorganization, but is now functioning in a most efficient manner under Miss Coakley.

We have had splendid coöperation with the various agencies and feel confident that from now on even better work will be done. Convalescent care has been given to 239 mothers and children at Caroline Rest, Speedwell, Sea Breeze, Chappaqua, Campbell Cottage, Hebrew Convalescent Home and Edgewater Crèche.

The following up of all the meningitis cases has proved interesting and showed very gratifying results, and has been of real value, 145 visits having been made to these cases.

The Pay Clinic continues to grow, having had 3,938 visits this year, while at the Dispensary they have had 15,019 visits and have done the usual good work.

The Cribside Committee has contributed \$10 each month to the fund for milk which has been given by the Hospital to an average of 16 families daily.

The Children's Charity Committee has contributed \$228.20 which has been used as an emergency fund.

We are most grateful for the following donations:

Clothing from Mrs. Adee Bradley.

Clothing and baby carriage and basket from Mrs. Beckett.

THE BABIES HOSPITAL

Clothing from Miss Schoonmaker, Mrs. Frederick K. Barbour, Mrs. Van Tine, Mrs. Ernest R. Adee, Mr. J. T. Hartnett, Messrs. Franklin Simon & Co.
 75 pairs of new shoes from Mr. and Mrs. Frederick K. Barbour.
 35 Layettes and 4,800 folded gauze compresses from the Junior Emergency Relief Society.
 5 Girl's Kits from the Junior Emergency Relief Society.
 36 pairs stockings from Miss Lillian M. Leary.
 Baby clothing from Mrs. Henry L. Loomis and Mrs. Siegel.
 10 tons of coal from the New York *Evening World*.
 Ice books from the Children's Welfare Federation.
 15 pairs of shoes from the Free Shoe Fund Society.
 Boat tickets from Floating Hospital.
 24 tickets for Elks' Christmas Tree through courtesy of Mr. Augustus F. Groll.
 Toys from Mrs. Frederick K. Barbour and Mrs. James J. Higginson, Jr.
 Toys and candy from "Jolly Juniors" of Girls Reserves.
 Sweaters, toys and candy from American Red Cross.
 5 Christmas dinners from Bellevue Hospital through Social Service Department (Actors' Fund).
 19 Christmas dinners from Volunteers of America.
 28 Christmas dinners sent by this Committee, at a cost of \$120.50.

THE BABIES HOSPITAL

REPORT OF THE CRIBSIDE COMMITTEE

The following officers and chairmen of committees served during 1926:

MRS. KENNETH O. CHISHOLM.....	<i>Chairman</i>
MISS KATHERINE B. LOCKWOOD.....	<i>Vice-Chairman</i>
MRS. ROBERT D. STERLING.....	<i>Treasurer</i>
MISS LESLIE J. SCHOONMAKER.....	<i>Secretary</i>
*MRS. EDWARD HINMAN, JR.....	<i>Cutting Committee</i>
MRS. JOSEPH R. RAMÉE.....	<i>Sewing Committee</i>
MRS. FREDERICK K. BARBOUR.....	<i>Children's Charity</i>
MRS. CARL O. M. SPRAGUE.....	<i>Nominating Committee</i>
MISS DOROTHY D. CLARKSON.....	<i>Clothing Committee</i>
MISS KATHERINE B. LOCKWOOD.....	<i>Houses for Sewing Class</i>
MRS. HAROLD VAN TINE.....	<i>Needlework Guild</i>
MRS. W. HENRY WILLIAMS.....	<i>Nearly-New Shop</i>

The membership at the end of 1926 was:

Active members.....	34
Associate members.....	20
Honorary member.....	1

The Children's Charity, under the direction of Mrs. Barbour, had a balance on hand January 1st of \$1,414.77. They have given funds to the Social Service Worker for many needy cases during the year. Their work has been assisted by a donation of \$100 in payment of a membership in the Speedwell Association.

The Lenten Sewing Class met at houses kindly offered for Thursday mornings. The receipts amounted to \$885.25, and 501 garments were cut and sewed under the direction of Mrs. Ramée and Mrs. Hinman.

* Died May 12th.

THE BABIES HOSPITAL

The Nearly-New Shop, at 913 Eighth Avenue, paid dividends amounting to \$2,350 as the Committee's share.

Mrs. Van Tine received garments and money to be sent to the Needlework Guild. The Committee received 303 articles from the Guild in return.

The Junior Emergency League donated garments and dressings.

The Committee paid \$250 toward the support of a bed, and paid \$600 toward the salary of a Social Service worker, also \$120 for milk to be given to needy cases in the Dispensary.

At the December 1926 meeting the following officers were elected to serve during 1927:

MISS KATHERINE B. LOCKWOOD.....	<i>Chairman</i>
MRS. JOHN B. CORNELL.....	<i>Vice-Chairman</i>
MRS. ROBERT D. STERLING.....	<i>Treasurer</i>
MRS. KENNETH O. CHISHOLM.....	<i>Secretary</i>
MRS. WILLIAM F. MALLOY.....	<i>Cutting Committee</i>
MRS. JOSEPH R. RAMÉE.....	<i>Sewing Class</i>
MRS. FREDERICK K. BARBOUR.....	<i>Children's Charity</i>
MRS. BENJAMIN R. C. LOW.....	<i>Nominating Committee</i>
MRS. GEORGE H. KING.....	<i>Clothing Committee</i>
MISS FRANCES L. HOWLAND.....	<i>Houses for Sewing Class</i>
MRS. HAROLD VAN TINE.....	<i>Needlework Guild</i>
MRS. W. HENRY WILLIAMS.....	<i>Nearly-New Shop</i>

MARGARET I. CHISHOLM,
Secretary.

THE BABIES HOSPITAL

REPORT OF THE SUMMER COMMITTEE

For the first time in our history the route for the little patients from the the New York Hospital to the Summer Branch had to be changed, as the old steamboat was withdrawn from the Shrewsbury River. So the babies came to the country via the Patten Line boats to Seabright and were conveyed by bus to the Summer Branch two and a half miles away. There, on the first day in June, everything was in readiness; cleaned—painted, white cribs and baby carriages shining—and Miss Lily Smith, Miss Prichard and Dr. Goddard, ready to receive the first admissions for the summer.

Then work began in earnest. They were so pale and helpless, those babies! Little sufferers with empyema, anaemia, feeding cases and rachitis. It is wonderful to see, in a comparatively short space of time, the change for the better with country air and the great care of staff and nurses. Color and life return to the little patients. After two weeks or so some of these babies are able to return to New York; their places are quickly filled by other cases needing the same care and thus the Summer Branch was filled from June 1st to September 1st. Three hundred and four patients were admitted.

Throughout the summer two private patients occupied the long unused private rooms in the Nurses' Home. This was a new interest which we hope can be repeated and it is pleasant to report that our former superintendent, Miss McKague, was in charge of the two-year-old boy from Montreal, and a former post-graduate nurse was in charge of a baby from Porto Rico. The parents of these boys were so pleased with their improvement.

With great sadness we record the death of Mrs. Louis C. de Coppet, for many years a member of the Summer Committee and ever interested in the work for the babies.

Our "year" would have lacked its "Gala Day" if Dr. Wilcox had failed

THE BABIES HOSPITAL

to pay his "visit." It was such a pleasure to all to receive him and the Doctor's encouragement and suggestions were most helpful. The great kindness of Dr. Mersereau who generously gives the Summer Branch his valuable service is also deeply appreciated.

A Venetian Cabaret was presented at the Monmouth Beach Casino, which was graciously tendered by the Directors to the Summer Committee for that evening. It was a most attractive affair; well arranged, for which I most gratefully thank the Summer Committee, all divided into sub-committees and great workers.

The success of the evening shows in the net receipts—\$9,129.00.

We close the summer of 1926 with many thanks to all who help and stand by—officers, nurses and friends.

THE SUMMER BRANCH OF THE BABIES HOSPITAL AT RUMSON.

MARY OWEN BORDEN,
Summer Chairman.

THE BABIES HOSPITAL

REPORT OF THE POST-GRADUATE COURSE FOR REGISTERED NURSES

To the Directors and Board of Women Managers of The Babies Hospital:

We have had the usual number of post-graduate nurses during the year, and the following have received diplomas:

VERLAND M. BLASHILL,

Graduate of Victoria Hospital, London, Ontario, Canada.

CATHERINE MADDIN,

Graduate of St. Boniface Hospital, Winnipeg, Manitoba.

RUTH HAGEN,

Graduate of Rhode Island Hospital, Providence, Rhode Island.

MARGARET MCBRIDE,

Graduate of Jervis Street Hospital, Dublin, Ireland.

MARY AGNES SMITH,

Superintendent.

THE BABIES HOSPITAL

REPORT OF AFFILIATION WITH TRAINING SCHOOLS IN NEW YORK STATE

To the Directors and Board of Women Managers of The Babies Hospital:

During the year the question of discontinuing the affiliations with the Hospitals in the State of New York was considered, but it was not until November that these affiliations were finally ended. The following nurses completed three months' training in Pediatric nursing:

Cortland County Hospital, Cortland, N. Y.

JEANETTE CARRINGTON

REPORT OF THE TRAINING SCHOOL FOR INFANTS' NURSES

To the Directors and Board of Women Managers of The Babies Hospital:

During the year 50 probationers entered the Training School for Infants' Nurses. Of these 6 were dismissed, 8 left of their own accord, and the remainder are completing their training. There are 10 more pupils graduating this year than in 1925, and positions have been found for these young women in private families.

The following received diplomas:

ELIZABETH ADAMS

THE BABIES HOSPITAL

THE CHILDREN'S CHARITY

The Children's Charity is made up of those children who are interested in the work of the Hospital, and want to help it along.

\$496, acknowledged in the list of contributions, the result of the work this year, was given by the members whose names appear on the following pages.

The subscription is One Dollar a year.

Sustaining Memberships, \$5.

Life Memberships, \$20.

A Membership card is sent each year when the dues are received, and every member's name is published in the Year Book of the Hospital.

Five Kinds of People who Join the Children's Charity

- I. Big boys and girls, who want to help the sick babies.
- II. Children who have come safely through an illness—to show their thankfulness.
- III. Brand new babies—to celebrate their arrival.
- IV. Grown-ups in the name of some child they love, or the child they once were themselves.
- V. In memory of children who have died—to do the good they were not spared to do.

Send your dues, with name and address, to

MRS. FREDERICK K. BARBOUR,
830 Park Avenue,
New York City.

Make checks payable to THE BABIES HOSPITAL.

"And this is the way we select our toys . . ." Christmas Party, 1926

Looking for Santa Claus, Christmas Party, 1923

THE BABIES HOSPITAL

OUR CHRISTMAS TREE

Our Babies Hospital always has its Christmas Tree for its little patients, both the babies in the wards and children from the Dispensary, and in order to draw attention to this event we are including three pictures of the tree the Christmas just passed, to show how beautiful it looked and how it was attended. By turning to the pages where the gifts of our friends are recorded, you will see who the Santa Claus is that provided this cheer for our small beneficiaries. Mrs. P. A. Valentine always remembers this great rôle every year to give our little ones pleasure. In fact it gives pleasure to all of us, and is also an important means of bringing children back so that the Hospital doctors may see how they improve and renew their acquaintance.

The photographers came upon the scene just as a very interesting little group had assembled in the Board Room. You will see some happy children who were told to look up in the tree for Santa Claus, instead of the old-time "Birdie." They came forward from the table where they had just selected their toys, and you will please note little "Joseph" with his toy telephone held to his ear, "Dorothy" delighted with her doll, and the others with their toys.

It was a real Santa Claus act to bestow happiness upon such children as these, representative of some 250 more who came to our party. In another room we had ready bundles of warm clothing for the many who needed that kind of help. We hope every one will understand how much this means to the mothers and fathers of these babies.

Our household was also remembered. Mrs. Oliver G. Jennings sent to all of the nurses Christmas gifts of bathrobes, and Miss Graves, Mrs. Talmage and Mrs. Warthen sent boxes of candy for the nurses and household. Also, we should be glad if all our friends could know how gratefully their many generous donations of toys and money for our children's Christmas happiness were received.

THE BABIES HOSPITAL

THIRTY-NINTH
ANNUAL REPORT
OF
THE BABIES HOSPITAL
OF THE
CITY OF NEW YORK

FOR THE YEAR ENDING DECEMBER 31, 1927

INCORPORATED 1887

HOSPITAL, LEXINGTON AVENUE AND 55TH STREET
SUMMER BRANCH, RUMSON, NEW JERSEY

NEW YORK

TO BROADEN its field of service, the Babies Hospital of the City of New York will move to the Medical Center. It has been invited to unite with this great organization for two reasons: During the last forty years it has been the only hospital in New York City giving exclusive care to sick babies. In the same period it has contributed widely to the knowledge of the cure and prevention of children's diseases.

At the Medical Center it will assume the burden of medical work for all children from birth to adolescence.

THE BABIES HOSPITAL

SEVEN FACTS OF INTEREST

THE BABIES HOSPITAL for over thirty-nine years has been getting results in making babies better, and is still the only Hospital of its kind in New York City.

THE BABIES HOSPITAL has a Training School for Infants' Nurses, has graduated 1065 pupils, and offers a six months' Post-Graduate course to Graduate Nurses. These nurses have helped the babies grow strong through careful feeding and the application of our doctrine of "Sunshine, Sleep and Soap."

THE BABIES HOSPITAL offers facilities in its Out-Patient Department for the treatment of poor babies, and has contributed its very large share to better health and happiness.

THE BABIES HOSPITAL operates a Summer Branch at Rumson, New Jersey, where much has been done for little children by fresh air, sunshine and kindness.

THE BABIES HOSPITAL has for twenty-five years provided lectures to the Fourth year students of the College of Physicians and Surgeons. Young physicians are here given unusual opportunities for practical study of difficult and unusual cases of disease in young children at first hand.

THE BABIES HOSPITAL has admitted 38,810 babies. It was a struggle for existence with most of them and skillful nursing has saved many.

THE BABIES HOSPITAL has a newly organized Social Service Department so that visits are made to the homes of babies admitted to the Hospital, to look into conditions there and supply the help and instruction so often needed.

THE BABIES HOSPITAL

THE DIRECTORS' REPORT

The Directors desire to report a constructive year for the Hospital notwithstanding the physical limitations in all departments of the building. This condition is increasingly felt each year and so we are looking forward to the time when we will be in our new building at the Medical Centre.

This year we have laid the foundations for the campaign to raise the funds for the new building, and we hope that our goal of \$1,500,000 will be reached in the spring of 1928.

The Hospital suffered a great loss in the passing on of Doctor Walter B. James, April 6, 1927, who since 1906 has been a Director. During these years his advice and criticism were constructive and his judgment was sound.

The Directors wish to convey their appreciation to the personnel of the Hospital for their co-operation in rendering the high grade of service given in the face of the limitations of the present building.

JOHN SHERMAN HOYT,
President.

CARLL TUCKER,
Secretary.

THE BABIES HOSPITAL

MEDICAL REPORT, 1927-1928

If the expectations of the trustees are realized, this will be the last report to come from the Medical Board of the Babies Hospital, as we have known the institution.

In another year we shall be dealing with a new site, new and advantageous affiliations, a larger plant, older children, a large and, it is to be hoped, active private service. It is natural, therefore, that the report of the director for this year should deal with three periods, or phases, of the medical work.

The first. A retrospect of the many years of fruitful labor under conditions that changed little from year to year,—indeed, from decade to decade. The service experienced few variations in attending staff, house personnel or,—except for adequate progress in methods,—in ward, laboratory or teaching activities.

The enviable reputation acquired by the hospital during these years was the natural result of unique leadership and concentration of effort. Rarely has opportunity found so ready and capable acceptance or have results so adequately met the evident need as was the case in our institution from its beginning up to the time when plans were begun for a widened sphere in conjunction with the Medical Center.

The contributions made to the art and science of the care of well, and treatment of sick infants and children, will never be lost even in the fuller and better understanding of the future.

The second. An explanation and perhaps an excuse for the progress during an interlude, trying as every period of transition must of necessity be.

That we were through with the old régime was a fact. Just what our new requirements were to be was unknown. Immediate needs for new space and equipment could not be met as our remaining time in our present plant was too uncertain to allow of much expenditure. So the natural

THE BABIES HOSPITAL

opportunity for change, expansion and correction which comes with every new administration could not be used as it ordinarily would have been.

Uncertainty as to the exact scope and the conditions under which our future work was to be done, the impossibility of estimating the time when the actual move would come, financial hopes and disappointments coming rapidly and always in that unfortunate sequence, uncertainty as to future contacts with our affiliated institutions,—these were some of the abstract handicaps of the past three years.

The more concrete problems that had to be met, always with a minimum of outlay and no additional space were, in part: immediate increase in teaching demands and provision for the administration of the Department of Diseases of Children of which the Babies Hospital had now become headquarters, provision for special students and research workers, expansion of social service, reorganization of the Out-Patient Department and establishment of special clinics for such conditions as could be best handled by segregation, development of plans for the new hospital. That these things have been done, and that without division or dissension in the Medical Board, should be a source of great satisfaction to all departments. The interim nears its end and finds us rapidly preparing to meet the next step.

The third. A look into the future, holding as it does so many new opportunities and responsibilities.

We see rising with astonishing rapidity from the present foundations, a building that by February, 1929, should furnish every facility for the housing, care, feeding, treatment and proper recording of our experience with 160 ward and semi-private patients and 30 private patients.

We see our attending staff augmented by the best trained pediatricians of this city, a consulting staff including practically all departmental heads and special workers of the medical center, an interne staff of twelve men and women coming to us to pursue special study after completing their general work in other institutions.

We see our laboratories adequately equipped and manned by an excep-

THE BABIES HOSPITAL

tional personnel sure to be drawn to the center, our children under the care of nurses in training at the Presbyterian Hospital, our infants' nurses receiving such instruction as has never before been possible. In short, we see the fruition of the hopes of those who labor for improvement in the care of our infants and young children.

The Medical Staff has sustained two losses,—one temporary and one permanent. Dr. McIntosh has gone away on a scholarship from P. & S. to pursue special studies in biochemistry. On his return, he will bring much that is new to our laboratories. Dr. Caffey has gone to the Hawaiian Islands to fill a much needed place there.

Dr. Cahill, a member of the Department of Urology at P. & S., has been appointed Consulting Urologist.

The hospital needs new and young men to add to its work. It is felt that the recently formed Alumni Association will do much to keep alive the interest of our graduates and attract new men to us.

The following investigations have been either completed during the current year, or are now engaging the attention of the workers:

Dr. Martha Wollstein—"The Anemias of Infancy."

Miss Sullivan and Dr. A. B. McLean—"Glucose Tolerance in Infancy."

Miss Sullivan and Dr. A. B. McLean—"Celiac Disease."

Dr. Rustin McIntosh and Dr. Stafford McLean—"The Bones in Scurvy.
An X-Ray study."

Dr. Stafford McLean and Dr. Caffey—"The Bones in Syphilis and Rickets.
An X-Ray study."

Dr. Johnson—"The Causes of Death in Young Infants," "Birth Sepsis,"
"Acute Intestinal Intoxication."

Respectfully submitted,

HERBERT B. WILCOX,

Director.

February, 1928.

No. cases.....	22
Vaccinations, 1 P. M. to 1:30 P. M., every day. No. cases.....	218

During the past year the work of the Out-Patient Department has increased.

There has been an increase of 256 new patients and 244 revisits in the Afternoon Clinic.

The Follow-Up Clinic (which was held weekly instead of bi-monthly) had an increase of 297 patients.

The Morning Clinic showed continued good attendance.

The Luetic Clinic was entirely reorganized with gratifying results; a chief of clinic was appointed March 1, 1927; there was an increase of 252 new cases; routine Kahn tests were done with the co-operation of the morning and afternoon clinics.

Another innovation was the institution of a Heliotherapy Clinic and a Posture and Massage Clinic. The response to these clinics has been more than satisfactory.

There has been a full-time Pathological Laboratory technician since August 1, 1927, and a full-time secretary for the Social Service and Dispensary since April 25, 1927.

THE BABIES HOSPITAL

REPORT OF THE SOCIAL SERVICE COMMITTEE

Mrs. DEXTER BLAGDEN, *Chairman*

Mrs. EDGAR T. APPLEBY	MISS KATHERINE B. LOCKWOOD
Mrs. FREDERICK K. BARBOUR	Mrs. JOSEPH R. RAMÉE
Mrs. HULBERT D. BASSETT	Mrs. GEORGE ROBERTS
Mrs. ADEE BRADLEY	Mrs. CARL OTTO M. SPRAGUE
Mrs. THATCHER M. BROWN	Mrs. ROGER TUCKERMAN
Mrs. JOHN B. CORNELL	Mrs. HAROLD VAN TINE
Mrs. BENJAMIN BREWSTER JENNINGS	Mrs. JERE R. WICKWIRE

During the past year the Social Service and Children's Charity became one committee. With the combined efforts and funds of these two committees, the Social Service Department has been able to increase its activity under its new department head, Miss Stilwell, and her two associates.

Through the generosity of Dr. Wilcox we have had an additional worker and the services of a secretary.

Our most important new step has been visiting the homes of babies admitted to the Hospital and following up their medical and social needs.

Two hundred and fifty-four of these children have received convalescent care at Campbell Cottage, Camp Salvedale, Caroline Rest, Chappaqua, Edgewater Creche, Herald-Tribune Fresh Air Camp, Kiwanis Camp, Sea Cliff, Speedwell, St. Eleanora's Home, Wave Crest and Babies Hospital at Rumson.

The Cribside Committee has contributed a large amount of our income this year. They voted us a part of their funds, amounting to \$2,941.20, and added to this \$10 a month for milk. The Children's Charity has contributed \$469.59, and we are most grateful for the following donations:

THE BABIES HOSPITAL

Box of clothing and toys: Mrs. Edgar Appleby.

Baby carriage, 3 large boxes of clothing, including 15 pairs of children's shoes and stockings, 15 children's sweaters; several boxes of toys and books, 14 dolls, also use of car for delivery of Thanksgiving baskets: Mrs. Frederick K. Barbour.

5 Christmas dinners: Bellevue Hospital Social Service Department (courtesy of the Astor Fund).

Pair of slippers: Mrs. Warren Barbour.

Christmas tree and trimmings, children's hose, woman's coat, transfusion (for baby in hospital), Thanksgiving baskets: Mrs. Dexter Blagden.

2 packages of children's clothing: Mrs. Adea Bradley.

Christmas toys to 90 children: Mr. Alfred Lockwood Brown.

20 children's tickets to circus: Miss Rose T. Donnelly.

Use of car and personal time for delivery of Christmas toys: Miss Flick.

3 pairs of shoes: Free Shoe Fund.

1 new and complete layette: Miss Louise Gruber.

1 box of books: Mrs. Hesser.

Box of toys, 6 pairs of children's shoes, child's sweater, coat hangers: Mrs. James J. Higginson.

1 large box of clothing: Mrs. George H. Howard.

7 pairs of children's shoes: Mrs. Brewster Jennings.

1 large box of apples: Mrs. G. H. Kinnicut.

1 child's coat and hat, evergreens and Christmas trimmings: Miss Katherine B. Lockwood.

Man's overcoat, boy's coat: Mrs. John F. O'Brien.

3 packages of children's clothing: Mrs. Grover O'Neill.

Season tickets for Floating Hospital: St John's Guild.

Christmas dinners, Thanksgiving baskets, Christmas greens: Social Service Committee.

Book case, chair, 18 pairs of shoes, 1 pair leather leggings, box of child's clothing: Mrs. Carl O. M. Sprague.

5 pairs of children's shoes, box child's clothing, toys, 12 Christmas stockings: Mrs. Roger Tuckerman.

2 large boxes of children's shoes, package of clothing: Mrs. Harold Van Tine.

1 large package of babies' clothing: Mrs. R. Wellman.

6 baby blankets: No name on parcel.

1 large box of clothing: "A Friend."

HELEN C. BARBOUR,
Acting Chairman.

THE BABIES HOSPITAL

REPORT OF THE CRIBSIDE COMMITTEE

Officers and chairmen of the Cribside Committee for 1927 as follows:

MISS KATHERINE B. LOCKWOOD	<i>Chairman</i>
MRS. JOHN B. CORNELL	<i>Vice-Chairman</i>
MRS. ROBERT D. STERLING	<i>Treasurer</i>
MRS. KENNETH O. CHISHOLM	<i>Secretary</i>
MRS. WILLIAM F. MALLOY	<i>Cutting Committee</i>
MRS. JOSEPH R. RAMÉE	<i>Sewing Committee</i>
MRS. FREDERICK K. BARBOUR	<i>Children's Charity</i>
MRS. BENJAMIN R. C. LOW	<i>Nominating Committee</i>
MRS. GEORGE H. KING	<i>Clothing Committee</i>
MISS FRANCES L. HOWLAND	<i>Houses for Sewing Class</i>
MRS. HAROLD VAN TINE	<i>Needlework Guild</i>
MRS. W. HENRY WILLIAMS	<i>Nearly-New Shop</i>

There were 32 active members, 19 associate members, and one honorary member.

On January 1, 1928, the Committee held a balance of \$2,953.34. Of this sum \$2,400 was received as income from the Nearly New Shop.

The Lenten Sewing Class met at houses generously offered to the Committee for this purpose. The income from the class was \$732.75, and 545 garments and articles for babies' use were made and contributed to the Hospital.

The Cribside Committee donated \$1,000 toward the Ellen Adeë Daniels Memorial Fund; \$250, the annual donation in support of a bed, a donation of \$600 toward the salary of a Social Service worker, and one of \$120 for milk for babies were also made.

The Children's Charity gave a benefit at the Plaza Hotel on April 9. This branch of the Committee was united with the Social Service Committee during the year.

THE BABIES HOSPITAL

A donation of 325 garments was made through the Needlework Guild.

At the December meeting the following officers were elected for the ensuing year:

MISS KATHERINE B. LOCKWOOD.....	<i>Chairman</i>
MRS. HAROLD VAN TINE.....	<i>Vice-Chairman</i>

Honorary Member

MRS. BERNHARD HOFFMANN

THE BABIES HOSPITAL

REPORT OF THE SUMMER COMMITTEE

Our report for the year 1927 we hope will show that the interest is, if possible, stronger than ever in the work at the Summer Branch.

A few slight repairs were made on the buildings; the linen closet shelves were replenished and twelve beautiful new and equipped beds were placed in the wards. But the latest and most successful improvement was the new screened-in pavilion built under the trees which served as a dining room for the little ones. Our first admissions, the first week in June, are always the lightest of the summer, but by July the Hospital was filled to overflowing and remained so until the closing after Labor Day. During that time 299 cases received excellent care and watchful nursing. The "private" room was filled in August, and it is gratifying to feel we can supply that need.

We are greatly indebted to Mrs. John E. Parmly for endowing a bed in the Summer Branch, in memory of Dr. and Mrs. Ehrick Parmly. This is the first endowment that we have received and is of great value to us in our work.

Miss Wilson proved a competent and agreeable superintendent, and praise can be also given to Miss Hagan, the assistant. And then, what could we do without Miss Smith, who comes from New York to set our wheels in motion!

The annual entertainment on July 22nd was a second "Merry Makers Frolic," staged by Lila Stewart. The result of this was the net sum of \$9,000. So the work of the Summer Branch is going on, and we desire to express our gratitude to the patrons and friends who make its usefulness a reality.

MARY OWEN BORDEN,
Chairman.

THE BABIES HOSPITAL

SUMMER BRANCH AT RUMSON, NEW JERSEY

OPEN FROM JUNE 1 TO SEPTEMBER 1

Committee, 1927

MRS. BERTRAM H. BORDEN, *Chairman* MRS. FREDERICK K. BARBOUR, *Treasurer*
MRS. THOMAS C. CLARKE, *Secretary*

Members of Summer Committee, 1927

MRS. JAMES C. AUCHINCLOSS	MRS. HENRY L. FINCH
MRS. THEODORE H. BANKS	MRS. RUFUS C. FINCH
MRS. FREDERICK K. BARBOUR	MRS. PHILLIPSE E. N. GREENE
MRS. IRA BARROWS	MRS. WILLIAM H. HAMILTON

MRS. BLAINE EWING	MRS. ALFRED H. PORTER

THE BABIES HOSPITAL

Members of Summer Committee, 1927—Continued

MRS. WILLIAM B. POTTS	MRS. J. FREDERICK TALCOTT
MRS. BERNON S. PRENTICE	MRS. HENRY L. THORNELL
MRS. HENRY I. RIKER	LADY WHITE TODD
MRS. SAMUEL RIKER	MRS. McLANE VAN INGEN
MRS. CARL SCHOEN	MRS. THOMAS F. VIETOR
MRS. J. WALTER SPALDING	MRS. ATWOOD VIOLETT, JR.
MRS. ANDREW V. STOUT	MRS. GEORGE GRAY WARD
MRS. HERBERT N. STRAUS	MRS. HOLCOMBE WARD
MRS. ALBERT SYMINGTON	MRS. LOOMIS L. WHITE
MRS. STANTON WHITNEY	

This child, Mary V., was admitted to the Hospital severely burned on her body and arms. She was a patient here nearly four months, and was later taken to our Summer Branch Hospital. This shows how Mary feels when better.

THE BABIES HOSPITAL

GENERAL RULES

1. The beds of the Hospital are free to the needy poor. Others are charged according to their means.
2. Sick children under three years of age are admitted, excepting those suffering from contagious diseases.
3. Applications for admission should be made at the Hospital during the day, from 9 to 5, although emergency cases are received at any time.
4. The Out-Patient Department is open daily throughout the year, from 2 to 3 P. M., excepting on Sundays and holidays.
5. Visiting day for friends of patients, is Wednesday from 2 to 4 P. M.
6. Visitors to the Hospital are welcome any afternoon, between 3 and 5.

HOSPITAL CALENDAR

ANNUAL BOARD AND CORPORATION MEETING, third Tuesday in January.
REGULAR BOARD OF DIRECTORS' MEETINGS, third Tuesday in January, April and October.

EXECUTIVE COMMITTEE, third Tuesday in November, December, February, March and May.

ANNUAL MEETING OF THE BOARD OF WOMEN MANAGERS, second Tuesday in December.

BOARD OF WOMEN MANAGERS, second Tuesday of every month, from October to May, both inclusive.

BOARD OF WOMEN MANAGERS—EXECUTIVE COMMITTEE, monthly, except during months of June, July, August and September.

HOUSE COMMITTEE, monthly, from October to May, both inclusive.

NURSES' COMMITTEE, monthly, from October to May, both inclusive.

SUMMER COMMITTEE, monthly, during June, July, August and September.

MEDICAL BOARD, first Monday in January.

CRIBSIDE COMMITTEE, annual meeting in December.

THE BABIES HOSPITAL

REPORT OF THE POST-GRADUATE COURSE FOR REGISTERED NURSES

To the Directors and Board of Women Managers of The Babies Hospital:

The following five post-graduate nurses finished this course during 1927:

MARY HELEN CUMMING,

Graduate of General Hospital, Brandon, Ontario, Canada.

KATHLEEN McDERMOT,

Graduate of Vancouver General Hospital, Vancouver, B. C., Canada.

MARGARET WILLOWS,

Graduate of Staten Island Hospital, Staten Island, New York.

A. IRENE STOCKSLAGER,

Graduate of Staten Island Hospital, Staten Island, New York.

FRANCES GIRROIR,

Graduate of A. Barton Hepburn Hospital, Ogdensburg, New York.

Miss Willows, Miss Stockslager and Miss Girroir in 1925 had a three months' affiliation with us from their own schools when they were pupils in training and came to us for an added three-months' post-graduate course.

Miss Willows and Miss Girroir are now charge nurses in the Babies Hospital.

MARY AGNES SMITH,
Superintendent.

THE BABIES HOSPITAL

REPORT OF THE TRAINING SCHOOL FOR INFANTS' NURSES

To the Directors and Board of Women Managers of The Babies Hospital:

We had fewer infants' nurses in training during 1927, and the following 22 completed their training:

NORA CALLAHAN
KATIE CULLEN
NELLIE DUGAN
ANNA FRIIS
ESTELLE GIMBER
ALBINA JELINEK
INGEBORG JOHANSEN
EILEEN KELLY
KATHERINE KERWIN
ANNA LADDEN
KATHLEEN LOWRY

BEATRICE McAULIFFE
MARY McCABE
ROSE McCaul
MARY McKENNA
MARGARET McNALLY
MARY McWHINNEY
JEMIMA NAPIER
KATHLEEN PRITCHARD
BRIDGET TROY
JOSEPHINE WAIDE
MARGARET WOODS

These young women are instructed in infant feeding, bathing of infants, hygiene of skin, care of mouth, eyes, ears, nose, and all Nursery Hygiene. Their usefulness to the community is one of the purposes of the Babies Hospital.

MARY AGNES SMITH,
Superintendent.

One by Miss Wynfred Fox, "The Jane Alfring Crib."

THE BABIES HOSPITAL

THE CHILDREN'S CHARITY

The Children's Charity is made up of those children who are interested in the work of the Hospital, and want to help it along.

The subscription is One Dollar a year.

Sustaining Memberships, \$5.

Life Memberships, \$20.

A Membership card is sent each year when the dues are received, and every member's name is published in the Year Book of the Hospital.

Five Kinds of People who Join the Children's Charity

- I. Big boys and girls, who want to help the sick babies.
- II. Children who have come safely through an illness—to show their thankfulness.
- III. Brand new babies—to celebrate their arrival.
- IV. Grown-ups in the name of some child they love, or the child they once were themselves.
- V. In memory of children who have died—to do the good they were not spared to do.

Send your dues, with name and address to

MRS. BREWSTER JENNINGS,
Glen Head, Long Island,
New York.

Make checks payable to THE BABIES HOSPITAL.
